Incident Response Event Management

◆ SIEM & SOAR
◆ CTI Cyber Threat Intelligence
◆ BAS Breach Attack Simulation
◆ ASM Attack Surface Management
◆ DAM Database Activity Monitoring
◆ CTEM Continuous Threat Exposure
  Management
◆ Central Vulnerability Management

| 70+ Consultant | Service Excellence | 300+ Certifications | ISO9001 ISO27001 ISO22301 ISO10002 | 100+ Active Clients From Fortune500Turkey |

Expertise In Technologies

Network & Email Security

- NDR-Network Detection & Response
- APT Protection and Sandboxing
- Network Forensics
- Secure Web Gateway & Web Isolation
- SSL TLS Visibility
- Email Security
- CDR Content Disarm & Reconstruction
- XDR Extended Detection & Response
- Deception Technology
- Network Access Control
- DNS Security
- DDOS Distributed Denial of Service
- Network Packet Brokers

OT Security

- OT Network Monitoring
- OT Network Access Control
- OT Privileged Access Management
- OT Firewall
- OT Hygiene

Cloud Security

- CASB Cloud Access Security Broker
- SASE Secure Access Service Edge
- ZTNA Zero Trust Network Access
- CNAPP Cloud Native Application Protection

Identity & Access Management

- PAM Privileged Access Management
- EPM Endpoint Privilege Management
- Identity Governance, SSO, Role Management
- Multi Factor Authentication

Risk & Compliance Solutions

- IT & Security Risk Management
- Regulatory & Corporate Compliance Management
- Enterprise & Operational Risk Management
- Third Party Governance
- Business Resilience
- Audit Management
- GDPR Process Automation
- Automated Compliance Check
